ANNUAL REPORT OF THE SCHOOL

The school continued its endeavour to provide quality education and ensure the holistic development of every learner. Emphasis was laid on conceptual understanding, competency-based learning, critical thinking, creativity and effective use of technology in the teaching-learning process.

Regular assessments, remedial classes and parents teachers meeting, enrichment activities and individual attention were provided to support students with diverse learning needs. Teachers adopted innovative and activity-based pedagogies to make learning engaging and meaningful. Students are encouraged to participate in various inter-school, district, state and national-level academic competitions, quizzes, Olympiads and other scholastic activities.

Students actively participate in plantation drives, cleanliness campaigns, awareness rallies, poster-making, slogan-writing, essay-writing and various environment-related competitions. Special emphasis was given to the principles of Reduce, Reuse and Recycle

Recognising sports as an integral part of holistic education, the school provided students with ample opportunities to participate in various indoor and outdoor sporting activities. Regular physical education classes, practice sessions, sports competitions and fitness activities were conducted throughout the session.
